A Resolution Urging the Arbitration Panel to Act

Whereas on July 13, 2026, an arbitration panel was appointed regarding the appeal of the suspension of the Chairman; and,

Whereas by August 24, 2026, all appellant and respondent briefs had been submitted to the arbitration panel; and,

Whereas on September 11, 2026, the arbitration panel gave an update stating that they anticipated a final decision within two weeks; and,

Whereas on October 12, 2026, the arbitration panel gave another update stating that they anticipated a conclusion likely before the end of the month; and,

Whereas there has been no conclusion as of November 9, 2026, 119 days or almost four months after the appointment of the panel; and,

Whereas Article IX of the LP Georgia bylaws implies that arbitration cases should be disposed of in a fair and speedy manner; and,

Whereas during the suspension of the Chairman, the Vice Chairman has been acting as the Chairman; and,

Whereas this is intended to be a temporary state of affairs until the Chairman's suspension is either upheld or reversed; and,

Whereas having the Vice Chairman act as the Chairman for an extended period of time creates operational difficulties which negatively impact the Party;

Therefore, be it resolved, that the Executive Committee of the Libertarian Party of Georgia urges the arbitration panel to act and dispose of this case in a speedy manner or else provide a substantive explanation for why it cannot; and,

Furthermore, be it resolved, that the Acting Chairman is authorized and directed to distribute copies of this resolution to the members of the arbitration panel as well as the relevant appellant and respondent.
